

Crafts and Canteen Information

Junior Camp has canteen once a day and a crafts time every day. All Junior Campers go to a craft time. There are many items to make for no cost that have been donated. There are also items to buy and put together or paint.

At all other camp sessions being in the craft room is optional because there are other activities that can be done during that time, and campers would need to buy some of their projects. The items start at about \$.50, for beads to make a bracelet, to a \$10 ceramic item to paint. There are many, many projects and someone in the room to help them complete it, whether it was a free or bought craft.

Senior Camp has canteen twice daily and crafts (optional) once a day.

Worship Camp, Family Camps and Youth Camp all have canteen once a day and crafts (optional) once a day.

At canteen a camper can buy 2 snack items. The exception is bottled water-they can buy as many as they want. Each snack item is \$ 1.00. The canteen also sells items with the camp logo for various amounts, from \$.50 to \$56 for a ¼ zip jersey. There are t-shirts, hats, blankets and sweats, etc...

We serve big meals- 3 times a day and our water is always available, so canteen is just an option for something different.

All money for canteen and crafts is deposited into an account for the camper at the time of registration on Sunday arrival. The balance is returned before they leave camp.
